RE: SEC v. Ripple Labs Inc. et al., No. 20-cv-10832 (AT)(SN) (S.D.N.Y.)

Dear Judge Netburn:

Pursuant to Part I.G of the Court's Individual Practices, we write on behalf of Bradley Garlinghouse, Christian Larsen and Ripple Labs Inc. (collectively, "Defendants"), and with the consent of the SEC, to request an extension for the deadline for Defendants to file a response to the SEC's letter seeking leave to redact portions of four sets of notes. *See* ECF No. 454. Defendants requested that the SEC produce the notes with the requested material redacted so Defendants can assess whether and to what extent they have objections to the proposed redactions. The SEC has represented that it will produce the documents by early next week. The Parties have agreed, subject to the Court's approval, that Defendants would then file a response with the Court within three business days from the date on which the SEC produces to Defendants the documents containing the SEC's proposed redactions. Defendants' response was originally due on March 28, 2022. This is Defendants' first request for an extension of time for this response.

Respectfully Submitted,

/s/ Matthew C. Solomon
